Vandalism during $\frac{1}{2}$ term break

During the May $\frac{1}{2}$ term break we had intruders enter the school premises. They did a considerable amount of damage to the new Pond Area and the roof.

As we mentioned in our last newsletter we had only just refurbished the pond area, and a lot of time and effort had been put in by staff and parents. We would like to thank all parents, grandparents, etc who have donated money and volunteered their time to help tidy the pond area up again. It is nice to know that there are still people out there willing to give time and money to help support the school and enhance children's learning. Once again thank you for your support.

Open Morning

The Summer Term Open morning is being held on Monday 16th June 10.00 - 11.30am. Please come along and see how the school works, and bring along any Aunts, Uncles, Grandparents, Friends and Neighbours who may be interested in looking around the school. Please note that Open Mornings are not for looking at individuals work or talking to the teachers about progress. Members of FOBL's will serve refreshments in the upper school hall. If anyone would like to donate any cakes to sell, then please bring them in by 9.00am Monday morning.

Breakfast Club

We would like to remind all parents that Breakfast Club is still up and running in the morning before school.

All full time children are allowed to access Breakfast club from 8.00am.

The cost is £2.50 per child per day. This price includes supervised play and breakfast.

If your child would like just breakfast then they can access the breakfast club at 8.40am at a cost of £1.00. They must not arrive before 8.40am just for breakfast or they will have to pay £2.50.

Danger of Clay Pit (Billy Hall's Lane)

It has been brought to the attention of the school that some children have been seen playing in the Clay Pit off Billy Hall's Lane - Newthorpe. Because of the amount of rain we have had recently the clay pit is full, and we have been told that children are playing and swimming in the water. Please would parents speak to their children in general about the dangers of playing near areas of water.

Chinese Artist

On Friday 23rd May Year 3/4 had a visit from Ling Peng a Chinese artist.

In assembly Ling Peng talked about China, told a story and taught the children a few words of Chinese.

Class 3/4C then worked with Ling during the day. They made Chinese lanterns and bookmarks with their names on written in Chinese. They also heard more stories and learnt how to do some traditional Chinese drumming.

Parents were invited to attend a short display at the end of the day.

The children thoroughly enjoyed the day.

Bestwood Country Park

On Thursday 4th June Miss McAlavey's Year 5 class went to Bestwood Country Park where they participated in a

mornings orienteering. They learnt how to orientate a map. Once the organizer felt confident that the pupils could read the map they were sent off in 2's and 3's to locate specific numbers at locations on the map.

Class 5M had an exciting if not tiring morning and completed three courses which were set out in the park.

After lunch 5M went on a 'bug hunt' collecting samples of bugs that lived in different habitats within the park. Using a key the children identified the insects and drew pictures.

Thank you to all the adults who volunteered their time and we did manage to find our way back without a map.

There is a display in the main entrance of photographs/work done on the day if any parents would like to have a look.
